Ms. Corbett,

I know you are just returning back from vacation. It is my understanding that you are being given this retest that was submitted to do the primary chemist's work on it. Approximately how long would you say it will be before it is done and you can fax me the cert? It is currently on for trial July 17<sup>th</sup>. Are you available that date and do you think it will be done by then?

Thanks,

*Kristy A. Lavigne*
